SPRING PARENT MEETING THURSDAY, APRIL 11 - 6:30pm

Mr. Knittel will be covering the school calendar for next year, the Wisconsin School Choice Program and other topics for next year.

Also on the agenda for the night is a short presentation from Partners in Education on what was done this year. The calendar for next school year's events is set during the summer so we would love to hear your ideas and suggestions.

Is your child interested in joining the robotics team next fall? Mrs. Diel will share information on what the season includes and we will be looking for parents to sign up as mentors. This year, we had three teams of six students based on available mentors. The number of teams can increase, but only if parents are able to help out and mentor. At this point, grades 1-3 are able to participate.

NOTE FROM BRILLION PUBLIC: SUMMER SCHOOL

Save the dates! Summer School is just around the corner. It will take place June 10-June 28 from 8am-noon. There will be all sorts of fun and educational activities planned and we can't wait to see your student here! Check out the "Summer School" tab on the school website for summer school information, including sports camps, theatre camp, and drivers education. A registration link will be on the website to sign-up for summer school.

CHRIST LIGHT WEEKLY MESSAGE FROM MR. KNITTEL

Instead of sharing thoughts about this week's Christ-Light lessons, let's reflect for a few moments on the implications of the message we heard this past weekend. Many of you who brought your children to school this morning noticed a familiar face at the door with me. Mrs. Baas is choosing to spend a large part of her spring break, not on a sunny beach, but right here with us at Trinity. The joy, astonishment, and hugs that I witnessed this morning made me think of the wonderful reunions that await all of us someday in heaven. Because Jesus died for us AND rose again, we get to join him in our heavenly mansion and be reunited with the ones that we love. That's the hope that we constantly put in front of our children; the hope of heaven is what keeps us going through the troubles and difficulties of this sin-filled world. But, never fear! Our Savior has arranged a glorious reunion for all of us in front of his throne. He is risen! He is risen indeed!
