LEGO CHALLENGE/ROBOTICS

Please let Mrs. Diel know if you would be interested in the robotics team for grades 4-8 next year. Based on those numbers, we will try to line up enough mentors and see if we are able to have this team. Please understand that this season potentially runs from September to March.

ATTENTION 4K PARENTS

Due to the snow days we had on April 3, we have a deficit of three instructional hours for 4K this school year. Therefore, the Board of Lutheran Schools has decided to institute a make-up day on Friday, May 17. (The theme of the day will be Pigs!) In the eyes of the state, this day will be mandatory; however, if you have a schedule conflict that day or choose not for your child to participate, we understand. Please reach out with any questions that you may have.

3K AIDE POSITION OPEN

We currently have an opening in our Early Childhood Program for the position of 3K Aide/Childcare Teacher. Hours are Monday-Friday, approximately 20-25 hours per week. The position begins mid-August and concludes for the school year around early June. Applicants should be at least 18 years old and eager to work with young children. Experience is preferred, but not required.

A job description and employment application can be picked up in the Trinity office or received via email (contact: c.brazil@trinitybrillion.org). All applications should be marked to the attention of Principal David Knittel. Review of applications will begin immediately and the position will remain open until filled.

Please direct your questions to Mr. David Knittel (d.knittel@trinitybrillion.org) or Mrs. Amanda Johnson, Early Childhood Director (a.johnson@trinitybrillion.org).

ROBOTICS UPDATE FOR FALL

Interested in joining the robotics team next fall? There is a sign up sheet for grades 1-3 outside the office for students and mentors. The goal for starting the new season will be to meet on Fridays during September after school for the project part of the season and then move into the build part of the season on Fridays in October and Saturday mornings. Any questions, please send to Mrs. Diel.

7/8th GRADE SERVICE PROJECT

Hello Trinity Families,

My name is Jackie and I am your school's American Heart Association representative. As we're getting close to the end of school, I wanted to send a THANK YOU message for including the American Heart Association in your school's 2023-2024 year. Thank you for raising nearly \$2,900 for Kids Heart Challenge to build healthier lives.

Thank you to the entire Trinity community for opening your hearts and supporting the mission of the American Heart Association in our 100th year. You built a safer community by learning hands-only CPR, 4 signs of stroke and heart-healthy habits all while helping others.

Thank you to each and every one of you who played a role in making this program a success!

And last but certainly not least, a truly heart-felt thank you goes out to Mr. Lehman and his 7-8 grade students for pouring their hearts into Kids Heart Challenge. We are blessed and grateful for their leadership!

We appreciate each and every one of you. Thank you for helping the American Heart Association celebrate 100 years.

~Jackie, Trinity American Heart Association Representative

CHRIST LIGHT WEEKLY MESSAGE FROM MR. KNITTEL

With Jesus' death and resurrection accomplished, the role of the disciples now begins to shift as Jesus starts to establish the Christian Church on earth. The disciples witness Jesus' ascension into heaven and wait for the promised gift of the Holy Spirit. While they are waiting, they recognize the need to replace Judas' place among the apostles. God guides them to choose Matthias as a witness to everything that Jesus did for sinners. Sound familiar? We have witnessed Jesus' perfect life, innocent death, and triumphant resurrection. What do witnesses do? We tell others about everything we have heard and seen. May God bless our witnessing just as he did for the early Christian Church!

REMINDERS

If your child will be coming in late due to an appointment, please send both the teacher and Mrs. Diel a message by email or through FastDirect. **Please let us know by 8am if they will be taking hot lunch.** Thank you!
