### WEEKLY MESSAGE FROM PRINCIPAL MAROHN

Today at lunch, I had to witness one of the most disgusting things I have seen in quite some time. I watched Pastor Moldenhauer put ranch dressing on his chicken and rice. It gets worse. He is trying to convince our students that mixing ranch and barbecue sauce is excellent on a variety of foods. That, my friends, is disgusting. Ranch is the worst condiment on the planet. And everyone knows that the best condiment is Sriracha. Sriracha, my friends, is good on everything! Pastor Moldenhauer, I love you, my brother, but ranch... ..is terrible.

The truth is, we are all very different. We all have different tastes, hobbies, gifts, and abilities. We look different, dress different, and are passionate about different things. In the different places I have served, I have always enjoyed how God puts together ministry teams. When I consider our pastors, teachers, and staff here at Trinity, God has blessed each individual in different ways. Each team member brings different gifts and abilities to the table. Together, we use them to carry out his work. The same is true of our members. It is awesome to see different individuals using their time, talents, and treasures to carry out God's work here at Trinity. We are all different parts of the body of Christ, united in mission and ministry. God has made us just how he wants us to be. In Psalm 139:13-14, we are reminded how God made us, "For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well."

Yes, God made us all very different. Yet, we are all alike when it comes to why we are here. God has called us to "Go and make disciples..." This is our mission statement at Trinity. We exist to share the message of Christ with the world. We are united in our efforts to gather, to grow, and to go. Our pastors, teachers, staff, and members use our gifts and abilities to carry out this important work. Together we can love, support, and encourage one another in our united ministry. Even if you eat ranch on your rice. 😊
