WEEKLY MESSAGE FROM PRINCIPAL MAROHN

I am writing this principal's message on a rainy Wednesday afternoon. Today was supposed to be Arbor Day at Trinity. I was excited to spend the day outdoors with our 5th-8th grade students as we served our community, congregation, and Lord by hauling stones, cleaning up woodchips, pulling weeds, and planting a tree at Trinity, as well as cleaning up Horn Park by picking up branches and sticks. We also take time to enjoy the day by eating pizza and playing at the park. I am looking forward to rescheduling it.

I have always loved the outdoors. There is nothing better than sunshine, fresh air, and time in God's creation. It is so peaceful and relaxing. I am reminded of how important it is to take care of this wonderful planet God has blessed us with for ourselves and for future generations. In Genesis 2:15, we are told, "The Lord God took the man and put him in the Garden of Eden to work it and take care of it."

In this section of Scripture, we are reminded of God's gift of work. God had blessed Adam with the joyous opportunity to take care of the garden. At this time, Adam was living in a perfect paradise, and work was God's gift to him. Here is my gift to you, Adam. Take care of it. How quickly the joy of work changed when mankind fell into sin.

You and I have the awesome blessing of work and to care for the planet God has blessed us with. He has provided us with many opportunities to serve Him with our time, talents, and treasures. We have the privilege of serving Him and serving others at home, at church, and in our community. May we willingly and joyfully live and WORK for Him.

EARLY DISMISSAL - CARE SURVEY

Wednesday, May 20 will be Trinity's final 1:30pm release day of the school year. Extended school day and after care will be available. Please answer the following questions by Wednesday May 13 to help us determine numbers for that afternoon. Please note, if you sign up for care and have your needs change, you must notify Mrs. Johnson directly by Monday, May 18 to avoid a half day charge added to your account. You may reference this policy in our early childhood handbook. If you have any questions, please let Mrs. Johnson know.

MEET OUR TWO NEW TEACHERS JOINING US IN FALL!

Mr. Daniel Zabel

I graduated from Martin Luther College in 2023 with a Bachelors of Science in Education and a minor in communication arts and literature. As both of my parents are called workers in the WELS, I spent a lot of my childhood moving from place to place. I first lived in Milwaukee, Wisconsin until the 4th grade. Then I moved down to Sarasota, Florida until my senior year of high school at Luther Preparatory School in Watertown, Wisconsin. Finally I moved to Lake City Minnesota before graduating from MLC. I have taught at three other places- all in the upper grades, Trinity Lutheran in Marinette, WI, St. John's Lutheran in Caledonia, MN, and St. Paul's Lutheran in Plymouth, NE. I enjoy teaching the subjects of math and science the most. This is my fourth year as a teacher and I look forward to improving my skills as a teacher here at Trinity. Outside of teaching, I enjoy watching extremely long youtube videos, and playing tabletop games with my three brothers and friends from college.

Mrs. Annalies Kupsky

Hello, my name is Annalies Kupsky. I am excited to be starting my ministry here at Trinity Lutheran School in Brillion. A little bit about me. I am originally from Canada. I graduated from Martin Luther College in 2018. I was assigned to Wonewoc, WI right out of college and spent my first 8 years in ministry there. While there I opened a brand new early childhood center, got married, and am expecting my first child. I enjoy camping, watching lacrosse, and playing board games. Justus and I are looking forward to joining the Brillion community!
